

## Midlands 4x4 Club KZN

### PLEASE NOTE THE FOLLOWING

- # We are a family orientated recreational club which exists primarily for 4x4 owners.
- # We stand for responsible driving, both on and off road.
- # We respect the environment, the rights of others and our vehicles.
- # All members are expected to conform to these values.
- # All new members will be expected to undergo an evaluation by members of the evaluation committee, effective January 2016. It should be noted that this training is not recognised by any official recognised bodies - it serves to ensure that all drivers on club outings have a basic knowledge of their vehicles and off-road driving. All members are encouraged to undertake further training to advance their proficiency.
- # Our current fees are listed on the Club's website under the Membership link. (Club fees valid for the year - prices may change as determined by the club committee and these will take effect the following year).
- # Subscription renewals are due on 1st January of each year.
- # It is hoped that all members will become active members of the club since it is the members which make the club what it is.
